

International Journal of Environmental Science and Development

CONTENTS

Volume 7, Number 12, December 2016

• Environment Pollution Control

Onshore and Offshore Wind Speed Distributions at the Western Waters in Taiwan.....867
Jui-Fang Tsai, Hsien-Kuo Chang, Jin-Cheng Liou, and Lian-Sheng Ho

Correlation between Changes of the Abundance of the Nitrification and Denitrification and Quality of the Effluent in Constructed Wetland.....875
Zhu Ying, Tian Chao, Tang Houquan, Shao Yanqiu, and Chen Qingfeng

Isolation and Identification of 17 α -Ethinylestradiol — Degrading Bacterial Strains from POME and Cow Dung.....881
Yee Ling Lim, Norhashimah Morad, Japareng bin Lalung, Sze Yie Chan, and Siti Aishah Abu Bakar

Influence of Different Preparation Methods of Copper Loading on Na-Y Zeolite for Green Gas Emission....885
Patcharin Worathanakul and Nattachar Rakpasert

• Environmental Meteorology and Ecology

Simulation of Potentially Catastrophic Landslide Tsunami in North West Borneo Trough.....889
Hock Lye Koh, Wai Kiat Tan, Su Yean Teh, and Mui Fatt Chai

Finer Scale Rainfall Projections for Kerala Meteorological Subdivision, India Based on Multivariate Empirical Mode Decomposition.....896
S. Adarsh

Investigation of Mangrove Biomass Potential in Indragiri Hilir Wetlands, Indonesia.....902
Ari Sandhyavitri, Fajar Restuhadi, Rudianda Sulaiman, Sigit Sutikno, and Koichi Yamamoto

Structural Changes in the Kitakyushu Eco-Town Initiative Based on a Multi-Year Survey of Materials Flow.....908
Tadashi Tsuruta, Yuki Honda, Atsushi Fujiyama, and Toru Matsumoto

• Environmental Assessment and Monitoring

Modeling Drill Cuttings Sedimentation on Corals for Exploration Wells Z-1 and B-1, Offshore Sabah.....913
Su Yean Teh and Hock Lye Koh

Memory Effect of Aquatic Biofilms in the Partitioning of Polycyclic Aromatic Hydrocarbons (PAHs) and Polychlorinated Biphenyls (PCBs) in Water Streams.....921
Giacomo Bertini

• Environmental Resource Science

Water Quality Modeling for Integrated Management of Urban Stream Networks.....928
Yoon Jeong Yeon, Dong Hee Kim, and Jung Lyul Lee

Impact of Industrial Estates on Water Resources.....	933
<i>Richa Maheshwari</i>	
Effectiveness of Available Wastewater Treatment Facilities in Rubber Production Industries in Sri Lanka.....	940
<i>Disni Gamaralalage, Osamu Sawai, and Teppei Nunoura</i>	
• Environment and Economics	
Study on Estimates of Embodied Carbon of China: Based on Input-Output Analysis.....	946
<i>Zhonglin Sheng, Yufei Xin, and Weida He</i>
